Our Newsletter and Alerts:

Our Firm routinely gathers facts and updated information on financial e-commerce applications, new technology advances, economic and political events of concern that may affect your business or our economic climate as well as business opportunities that may be of benefit to you.

We gather this information and publish it in a free newsletter that you can subscribe to. The newsletter will periodically be sent to you, free, through email to a dedicated email address that you provide.

In addition, we may send you news alerts notifying you of an event or issue that could have an immediate or profound impact on your business operations.

Please note, that any email address you provide to us will be used exclusively for that one purpose (sending Newsletters to you), and will not be used for any other purpose. It will not be given to or sold to any third party or parties, and will not be used for advertising of any nature.

We welcome your subscription and look forward to keeping you well informed on important business matters.

Sincerely,
Arthur Anderson
